- **Service to the University Community**

1. In the summer of 2006 I initiated the idea of inviting famous researchers in the field of finance at least three or four times in an academic year. The incentive behind this seminar series is to listen to the cutting edge research presentations and interact with these driven researchers. This type of activity will bring about much more enthusiasm in research for the junior faculty and our doctoral students. Also this kind of interaction will help our finance department get more exposure at the national level. So with the help of my dean Dr. Elam and senior faculties in the department I started organizing these seminars.
2. I served on the FIN 4604 committee.
3. I was appointed Graduate Faculty of Florida International University with Dissertation Advisory Status, April 24th, 2005.
4. I also serve on the Journal committee for Dept. of Finance Journal List.
5. I am also on the master's thesis committee (co-chair) for my Graduate Assistant Hailong Mo in the Statistics Department. I have also served as a co-chair for Mr. Parikshit Vamul in the Industrial Engineering Department.

6. I also served on the recruitment committee 2005 and 2008 for the Finance Department.

7. I was part of the team of the assistant professors who met with AACSB Peer Review Team.

8. Participated in the program review for the MBA program as well as MSF programs several times.

9. I have Chaired nine dissertations so far and have served as a member on the dissertation committee for about 19 students

11. I was the Ph.D. program coordinator for the Finance Department for 2009-13

12. I also served on the recruitment committee 2011 and 2012 for the Finance Department which successfully recruited two highly shot after candidates by other schools.

13. At the university level I have served on several committees such as (i) Sabbatical Committee, (ii) Dissertation Advisory Status Committee, (iii) Sustained Performance Committee. At the college level I have served on the (i) Graduate Curriculum Committee, (ii) Faculty Development Committee, (iii) CoB Strategic Planning Committee (iv) Professional MBA Task Force Committee (iv) CoB Journal Committee (Represented Finance Department) (v) Policy and Procedures Committee (Departement of Finance)

14. I am proud to be part of the Presidential Leadership Program run and mentored by our President Professor Mark Rosenberg which provides great insight on the operation of the state university system.

15. Senator (UFF-FIU), UFF-FIU

16. Part of the Faculty Mentor Program (office of AWED) where I am currently mentoring two junior faculties in the department of Accounting and IB and Strategy.
